

Certificate of Registration

This certifies that the Environmental Management System of

CH2MHILL Plateau Remediation Company (CHPRC)

2420 Stevens Center Place
Richland, Washington, 99352, United States

has been assessed by NSF-ISR and found to be in conformance to the following standard(s):

ISO 14001:2004

Scope of Registration:

CH2M HILL Plateau Remediation Company (CHPRC) is the prime contractor for the safe, environmental cleanup of the Central Plateau at the Hanford Site in Richland, Washington. The detailed scope is described in contract number DE-AC06-08RL14788 between the US Department of Energy- Richland Operations and CHPRC. The scope includes decontamination and demolition of structures, cleanup of waste sites and contaminated groundwater, solid and liquid waste treatment, storage and disposal, soil and groundwater remediation, closure of the Plutonium Finishing Plant, as well as treatment of highly radioactive sludge. Separate prime contractors are responsible for site infrastructure and services, and management and clean-up of Tank Farms at the Hanford Site.
