Prospective Offeror

REQUEST FOR EXPRESSION OF INTEREST/PRE-QUALIFICATION QUESTIONNAIRE  
FABRICATE Y32 DWHDPE TANKS  
CHPRC HANFORD SITE, RICHLAND, WASHINGTON

CH2M Hill Plateau Remediation Company (CHPRC), Richland, Washington expects to issue a Request for Proposal (RFP) for subject Work on or about the week of May 3, 2016, with anticipated contract type to be firm fixed price. Proposals are to be submitted on or about the week of May 19, 2016. Contract Award is anticipated the week of June 6, 2016.

**The above dates are subject to change.**

NOTE: Time is of the essence in performance of this contract. Delivery of the items or services in accordance with the terms of the agreement is of significant importance to CHPRC. Supplier is to, based on award the week of June 6, 2016, guarantee delivery no later than July 27, 2016.

**THIS IS ONLY AN EXPRESSION OF INTEREST – DO NOT SEND ANY PROPOSAL INFORMATION IN RESPONSE TO THIS REQUEST!!**

**Introduction/Scope Summary**

The successful offeror (hereafter also referred to as “Contractor”) will provide fabrication, testing, and delivery of two Double Wall High Density Polyethylene (DWHDPE) tanks to the 200 East Area of the Hanford Site in accordance with the requirements of the attached Statement of Work (SOW) (Att-1 SOW), and Sketches (Attachments 2 and 3). The specific location of delivery and associated driving directions will be provided by the Buyer’s Technical Representative (BTR).

Contractor shall provide and manage the labor, equipment, material, and services required to complete the tasks and deliverables identified in the SOW. The work shall be performed at the Contractor’s facilities. If Hanford site access is required, site visitation will be coordinated through the Contract Specialist.

The Contractor is responsible for execution of the work in accordance with the quality standards and requirements specified herein.

**This solicitation is open to Large and Small Businesses and falls under NAICS Code 326199.** For small business status or questions please contact Janice Bartram, CHPRC Small

Business Advocate, via email at [Janice K Bartram@rl.gov](mailto:Janice_K_Bartram@rl.gov) . Potential Offerors who would like to receive a RFP must meet all offeror requirements and submit a complete Pre-Qualification Questionnaire by the required due date.

Optional work may be included in the RFP.

## **Qualification Criteria**

### **Go/No Go**

- Time is of the Essence – Evidence that, based on award the week of June 6, 2016, the Contractor will guarantee delivery no later than July 27, 2016

### **Weighted in Order of Importance**

- Evidence of Project Schedule
- Evidence of References: The Offeror shall furnish three (3) references for previous and current projects. References should be chosen for their relevance to this proposal. Recent projects are considered more relevant than older projects. If the Offeror proposes to utilize major subcontractor(s) to perform work, references for previous projects where the Offeror and subcontractor(s) worked together should be provided. The acceptability of the product and timely delivery are both of interest. References shall include the following current and up-to-date information for each specific reference. Note: Information gained elsewhere by the Buyer can also be used as part of the evaluation.
  - Client Name and Address
  - Client Technical Point of Contact and phone number
  - Contract Number
  - Brief Description of Work Scope
  - Key Personnel who will also be engaged in the STSC vessel work
  - Contract Type
  - Period of Performance
  - Original Contract Value
  - Final Contract Value
- Evidence of Technical Capability: Specifically the offeror shall address their ability to select materials, design, detail, manufacture, fabricate, test, prepare documentation, package and deliver to the jobsite a DWHDPE vertical, cylindrical storage tank. The Offeror shall also briefly discuss the equipment used for fabrication.
- Evidence of Key Personnel Qualifications: The Offeror shall briefly discuss the qualifications and capabilities of the key personnel identified for this work including project manager, engineering, foreman, and quality assurance.

## Conclusion

CHPRC will solely decide which contractors meet the above criteria. CHPRC will review and use the evidence and information submitted in response to this Expression of Interest to determine if the respondent meets the above requirements. Any companies deemed qualified by CHPRC will then be sent any resulting RFP. There is no guarantee that an RFP will be issued for this work, nor guarantee that a contract award will be made should an RFP be issued.

**Expressions of interest and declaration of the qualifications to the required criteria must be sent via Email in a single electronic file, in pdf Format, no later than 10:00 AM (PST) April 21, 2016 to the contract specialist Scott C. Breslau undersigned below.**
