REQUEST FOR INFORMATION
HORIZONTAL DRILLING
CHPRC HANFORD SITE, RICHLAND, WASHINGTON

CH2M Hill Plateau Remediation Company (CHPRC), Richland, Washington in support of the Soil and Ground Water (S&GW) Well Drilling Project, under Prime Contract DE-AC06-08RL14788 with the U.S. Department of Energy, is seeking information on how an interested contractor could provide horizontal well drilling services.

THIS IS A REQUEST FOR INFORMATION (RFI) ONLY. This RFI is issued solely for information and planning purposes – it does not constitute a Request for Proposal (RFP) or a promise to issue an RFP in the future. This request for information does not commit the CHPRC to contract for any supply or service whatsoever. Further, the CHPRC is not at this time seeking proposals and will not accept unsolicited proposals. Responders are advised that the CHPRC will not pay for any information or administrative costs incurred in response to this RFI; all costs associated with responding to this RFI will be solely at the interested party's expense. Not responding to this RFI does not preclude participation in any future RFP, if any is issued. If a solicitation is released, it will be synopsised on the external CHPRC website at <http://chprc.hanford.gov/page.cfm/CurrentSolicitations>. It is the responsibility of the potential offerors to monitor this site for additional information pertaining to this requirement.

Requested Information

Interested parties are requested to respond to this RFI with a white paper.

White papers are to be prepared in Microsoft Word for Office 2000 compatible format and are **due no later than 29 June 2016, 2:00 PM (PST)**. White papers are to be comprised of three (3) sections as discussed below. Proprietary information, if any, should be minimized and **MUST BE CLEARLY MARKED**. To aid the CHPRC, please segregate proprietary information and provide in section three (3). Please be advised that all submissions become CHPRC property and will not be returned.

Section 1 of the white paper shall contain administrative information, include the following as a minimum:

- Company name, mailing address, overnight delivery address (if different from mailing address), phone number, fax number, and e-mail of designated point of contact.
- Business type (large business, small business, small disadvantaged business, 8(a)-certified small disadvantaged business, HUBZone small business, woman-owned small business, very small business, veteran-owned small business, service-disabled veteran-owned small business) based upon North American Industry Classification System (NAICS) code 237110, Water and Sewer Line and Related Structures. “Small business concern” means a concern, including its affiliates that is independently owned and operated, not dominant in the field of operation in which it is bidding on Government contracts, and qualified as a small business under the criteria and size standards in 13 CFR part 121. A small business concern for the purposes of this procurement is generally defined as a business, including its affiliates, averaging no more than \$36.5 million dollars in annual receipts.
- Recommended contracting strategy and Rough Order of Magnitude estimate (ROM)

Section 2 of the white paper shall contain the contractor’s proposed means and methods to meet the criteria addressed in Attachment A of this RFI (embedded below):

RFI - WP Horizontal
Drilling 06152016.doc

Section 3 of the white paper shall contain the contractor’s proprietary information (if applicable).

Industry Discussions

The CHPRC representatives may or may not choose to meet with potential offerors. Such discussions would only be intended to get further clarification of potential capability to meet the requirements, especially any development and certification risks.

Questions

Questions regarding this announcement shall be submitted in writing by e-mail to the Contracting Officer, email address. Verbal questions will NOT be accepted. Questions will be answered by posting answers to the CHPRC website; accordingly, questions shall NOT contain proprietary or classified information. CHPRC does not guarantee that questions received after June 23, 2016 will be answered.

Summary

THIS IS A REQUEST FOR INFORMATION (RFI) ONLY to identify sources that can provide Horizontal Well Drilling Services. The information provided in the RFI is subject to change and is not binding on the CHPRC. CHPRC has not made a commitment to procure any of the items discussed, and release of this RFI should not be construed as such a commitment or as authorization to incur cost for which reimbursement would be required or sought. All submissions become CHPRC property and will not be returned.

CHPRC will solely decide which contractors meet the above criteria. CHPRC will review and use the evidence and information submitted in response to this RFI in determining if the respondent meets the aforementioned requirements. Any companies deemed qualified by CHPRC will then be sent any resulting RFP. There is no guarantee that an RFP will be issued for this work, nor guarantee that a contract award will be made should an RFP be issued.
