8.0 INVOICING INSTRUCTIONS

8.1 Contractor Invoices

Invoices submitted to CHPRC shall be submitted as follows. Failure to submit a proper and accurate invoice may result in rejection or delay of the invoice. Address invoicing requirement questions to the Contract Specialist.

General Requirements

1. Submittal of an invoice constitutes Contractor's certification that materials, work and/or services have been provided, and invoiced amounts are in accordance with the contract.
2. Each Contract, Release and Purchase order must be invoiced separately and in a timely manner with respect to the invoiced products or services.
3. The invoice must clearly & legibly identify the
 - a. Contractor's Name
 - b. Unique Invoice Number
 - c. Contract, Contract Release and/or Purchase Order Number
 - d. Itemized description of the supplies or service provided
4. Remittance will only be made to the remittance address on file for the contractor. Invoices from third parties or with different remittance instructions or addresses will not be processed.
5. An "Authorization for Electronic Funds Transfer (EFT) of Invoice Payments" must be on file with CHPRC before EFT payments can be made.
<http://www.hanford.gov/pmm/files.cfm/eft.pdf>
6. Invoices should include the name and telephone number of a company representative available to respond to questions about the invoice.
7. Invoices shall be paid according to the terms and conditions of the contract *unless*; substantiated evidence is obtained claiming Contractor is delinquent in payment to sub-tier Subcontractors. All future payments may be reduced or suspended by the Contract Specialist until validation is received from the Contractor verifying all sub-tier payments are current.

Contracts for Services:

8. Unless otherwise authorized in the contract, service contracts may not be invoiced more than once per calendar month.

TITLE: WRAP ROOF OVERBUILD DESIGN AND CONSTRUCTION

9. The total amount due for the billing period must be clearly identified on all invoices (this amount should be set apart from any cumulative amounts or subtotals).
10. Invoiced amounts, rates, other direct charges or travel must be specifically defined in the contract to be allowable for reimbursement.
11. When applicable for this type of contract, indicate the name(s) of the worker(s) labor rate, billable work hours, and period of performance on each invoice.
12. Travel expenses (if authorized) must be itemized and supported with receipts in accordance with the requirements set forth under clause, "Reimbursement of Travel Expenses" or as otherwise stated within the Contract.

Purchase Orders:

TITLE: WRAP ROOF OVERBUILD DESIGN AND CONSTRUCTION

10.0 SPECIAL INSTRUCTIONS

10.1 Backcharges

CHPRC reserves the right to backcharge the contractor for costs incurred by CHPRC which are caused by the contractor or contractor's subcontractors in accordance with the contract General Provisions. In addition to the circumstances described in the General Provisions, the backcharge may also result from:

- a. Services performed by CHPRC, at Contractor's request, which are within Contractor's scope of work under the Contract.
- b. Costs sustained by CHPRC as a result of Contractor's non-compliance with the provisions of this Contract or Contractor's act of omission or negligence.
- c. Costs incurred by CHPRC to fix all defects, deficiencies or errors that may appear in the Work during the warranty period.
- d. Costs associated with CHPRC support costs when work is interrupted by a contractor-caused delay or equipment failure.

At CHPRC's sole discretion and if circumstance allow, contractor may be offered the opportunity to propose a fix or take mitigating actions to reduce the impact and total backcharge. In the event that contractor fails to take satisfactory action, contractor's option to mitigate will be withdrawn and CHPRC will take appropriate action to cure the problem and backcharge contractor.

END OF PART II – FINANCIAL TERMS

TITLE: WRAP ROOF OVERBUILD DESIGN AND CONSTRUCTION

PART III – GENERAL TERMS and ATTACHMENTS

1.0 GENERAL

1.1 Acceptance of Terms and Conditions.

Contractor, by signing this Contract, delivering the supplies, or performing the requirements indicated herein, agrees to comply with all the Contract provisions, specifications and other documents that this Contract incorporates by reference or attachment. CHPRC hereby objects to any provisions inserted into this Contract, amendment, or modification to the Contract that are different from or in addition to those set forth by CHPRC in the Contract, amendment or modification to the Contract.

1.2 Attachments Incorporated

The terms, forms, documents and attachments listed herein are hereby incorporated into and made a part of this contract. Contractor is responsible for downloading or obtaining a copy from the Contract Specialist and complying with the applicable documents.

Where available, hyperlinks are provided for downloading the referenced document.

1.3 Order of Precedence

In the event of a discrepancy among Contract documents the following order of precedence shall govern resolution: (1) CHPRC's written Contract modifications, direction, and instructions; (2) written Contract (3) Technical instructions, including the (a) Statement of Work (SOW), (b) engineering drawings, (c) exhibits and attachments, and (d) applicable standards; (4) Special Provisions; (5) General Provisions; and (6) other documents identified as being part of the Contract.

1.4 Subcontracting

Contractor may **not** subcontract any significant portion of this contract without first obtaining concurrence of CHPRC to the proposed subcontract scope and subcontractor(s).

Contractor is responsible to incorporate and flow down all appropriate provisions and requirements of this contract to all lower-tier contractors and subcontractors.

Contractor shall furnish CHPRC a list of all proposed lower-tier subcontractors who will be performing work on the Hanford site and those proposed subcontractors who will be performing a significant portion of the off-site work. The list must be furnished prior to award and updated with changes during contract performance. Use the Subcontracting form and instructions located on this web page:

<http://chprc.hanford.gov/page.cfm/SubmittalsFormsDocs>

CHPRC reserves the right to:

- reject any proposed subcontract or subcontractor as incomplete or unsuitable

TITLE: WRAP ROOF OVERBUILD DESIGN AND CONSTRUCTION

- require submittal of the proposed subcontract before contract award or prior to performance of any work on site
- require the replacement, at contractor's expense, of any subcontractor who fails to adhere to all of the applicable provisions and requirements of this contract.

1.2 Abnormal or Unusual Situations

In the event that there is an abnormal or unusual situation associated with this contract work scope, the Contractor is to immediately contact the designated Contract Specialist (CS) or designated CHPRC's Technical Representative (BTR). If the Contractor is unable to contact either the CS or the BTR, the Contractor is to contact the CHPRC Occurrence Notification Center at (509) 376-2900, which is available 24 hours a day, seven days a week, and provide them with: Contract Number, Contract Specialist's name, BTR's name and a short summary of the abnormal or unusual situation. If after making contact with CHPRC, the Contractor is advised to suspend activities, the Contractor is not to proceed until such direction to proceed has been expressly issued by the Contract Specialist. If there is an emergency situation, the Contractor is to make the appropriate immediate emergency call to 911 or 373-0911 for cell phones and then make the notifications to CHPRC as set forth herein.

1.3 Term of Contract

The term of this Contract shall commence on the date of award and shall end on **TBD** unless extended by the parties or unless terminated by other provisions of this Contract.

1.4 Authorized Personnel

Only the following named Contract individuals are authorized to make changes to this document:

Contract Specialist, Shelby Chubb

Constructions/Services Contracts Manager, DJ Wuennecke

1.5 Contractor Submittals – Contract

TITLE: WRAP ROOF OVERBUILD DESIGN AND CONSTRUCTION

The Contractor submittals identified herein on the Submittal Register shall be submitted by the Contractor using the Contractor Document Submittal Form (CDSF). Instructions for completion of the CDSF are included with the form. The quantity, frequency and type of submittal shall agree with the requirements set forth on the Submittal Register. A Submittal Number, entered on the CDSF by the Contractor in accordance with the submittal register, shall be used to identify each submittal. Engineering controlled Vendor Information (VI) content shall be identified on the CDSF when indicated on the Submittal Register. CDSF forms may be copied for submittals with different submittal dates. When any submission is returned to the Contractor with a request for resubmission (i.e., marked as: “B” and “Resubmit – Yes”; or “C” Revise and Resubmit) the Contractor shall resubmit all corrected documents within the time specified on the resubmission notice or if no time is specified therein within ten (10) working days from the disposition date. New submittals shall require the Contractor to contact CHPRC if additional Submittal Numbers are required.

Changes to a Contractor’s deliverables, that have not been accepted by CHPRC as complete shall be re-submitted using the CDSF form and in accordance with a Contractor’s CHPRC-approved Quality Assurance and/or Engineering Program.

1.6 Document Transmittals

The Contractor shall utilize a document transmittal system for the exchange of data and information during the performance of work under this Contract. The transmittal shall contain (1) a unique identification number, (2) a brief identification of the document(s) including revisions, (3) the date of the transmittal, (4) purpose of the transmittal, including required action (if any) (5) signature of supplier representative, and (6) means or provisions for receipt acknowledgement by CHPRC.

1.7 Electronic Mail Capability

The Contractor shall provide and maintain Internet and electronic mail capability for the duration of the Contract. The Contractor’s email account shall be able to send and receive attached documents of up to 5 megabyte in size. Correspondence and Administrative messages concerning this contract will be conducted via email in current versions of Microsoft Office applications, ASCII text, RTF, PDF, ZIP and other commonly used file formats. In addition, information, data and forms may be posted on CHPRC’s Internet web site for downloading by the Contractor.

1.8 Requests for Clarification or Information

Where necessary, the Contractor may elect to submit formal requests for Clarification or Information as necessary to obtain technical clarifications using the Request for Clarification or Information (RCI) Form. RCI Instructions. The inquiry portion of the RCI Form shall be completed by the Contractor, including a determination of priority and an identification of schedule delay with the issue, if applicable. RCI Form numbering shall be left blank and assigned by CHPRC upon receipt. CHPRC will complete an evaluation, and provide a disposition and determine additional actions required, when

TITLE: WRAP ROOF OVERBUILD DESIGN AND CONSTRUCTION

appropriate. The purpose of the form is to facilitate formal communications when necessary.

1.9 Work Schedules and Holiday

NOTICE: Daily work schedules and facility operations are NOT consistent on the Hanford Site. CHPRC and some other organizations are working a 4x10 schedule and others observe alternate Friday closures.

Accordingly, Contractor is responsible to understand and plan to support the work schedule required for this specific contract and/or work location. BEFORE scheduling work on site and/or deliveries, the Contractor shall make specific schedule arrangements with CHPRC, BTR, Facility Manager, Delivery Warehouse Manager, Building Manager, etc.

CHPRC will not be liable for the cost of any delays, demurrage, layover, extra travel days, etc. which result from Contractor's failure to plan for and obtain specific schedule concurrence in advance.

1.10 Proprietary Data Submittals

If Contractor submits any data as part of their Contract, which is considered by the Contractor to be "Proprietary Data", the document transmitting the data or which contains the data, shall be boldly marked indicating that the data Included is considered to be proprietary.

1.11 Contractor – CHPRC Interface

CHPRC and the Contractor will interface only through CHPRC's Contract Specialist for clarifications and questions.

1.12 Other Interfaces

Additional CHPRC contacts will be identified at the kickoff meeting.

1.13 Designation of Technical Representative

The designated Buyer's Technical Representative (BTR) for this contract is:

Nicole Danakos, 509-373-5919

The BTR is responsible for monitoring and providing technical guidance for this Contract and should be contacted regarding questions or problems of a technical nature. The BTR is also responsible for appropriate oversight of Contractor's personnel while on site and the interface between contractor and other CHPRC organizations supporting contract performance.

Authority of the BTR and supporting organizations is limited to providing technical direction within the scope and provisions of this contract. The BTR may not direct work or authorize any change outside of the written contract and contract provisions.

The BTR does not possess any explicit, apparent or implied authority to modify the contract. When in the opinion of the Contractor, the BTR requests or directs efforts

TITLE: WRAP ROOF OVERBUILD DESIGN AND CONSTRUCTION

outside the existing scope of the Contract; Contractor shall promptly notify the Contract Specialist in writing. No action outside the scope of the contract should be taken until the Contract Specialist makes a determination and/or modifies the contract.

In no event, will an understanding or agreement, modification, change order, or any deviation from the terms of this Contract be effective or binding upon CHPRC unless formalized by proper Contract documents executed by the Contract Specialist.

1.14 Former CHPRC Team Employees

The contractor is required to identify to CHPRC as part of the proposal or in advance of performance when any former employee of the CHPRC Team, who left the Team within twelve months of the new award, is proposed to work on a staff-augmentation basis under the contract or release. CHPRC reserves the right to not contract for the individual(s).

1.15 Hanford Site Stabilization Agreement

In accordance with Special Provision SP-4 section 8.0 and prior to award of any contract for construction and/or Davis Bacon covered work to be done on the Hanford Site the contractor and any lower-tier contractors must be signatory to the Hanford Site Stabilization Agreement (HSSA) including all appendices and most recent changes. A signed Employer Compliance Agreement must be provided to CHPRC with each proposal and kept current and in force during performance of any resulting contract. Reference copies of the Employer Compliance Agreement, the HSSA and amendments are posted on CHPRC Acquisition web site.

1.16 Engineering Drawing Standards

All engineering drawing deliverables required in this contract shall be submitted in AutoCAD and comply with the requirements of the current revision of PRC-STD-EN-40279, Engineering Drawing Standards

Files can be downloaded from this web folder at:

http://chprc.hanford.gov/files.cfm/std_40279.pdf

1.17 Independent Contractor

1. Contractor shall perform all work required by this Contract as an independent contractor and not as an agent or employee of CHPRC or the Government.
2. Acceptance of this contract constitutes contractor's certification that any required business licenses, permits, tax identification requirements, principle place of business identification, etc. have been addressed and are the sole responsibility of contractor.
3. Contractor shall pay all wages, salaries and other amounts due its employees in connection with this Contract. Contractor is responsible for all reports, obligations and payments regarding such employees relating to social security, state and federal taxes, license fees, withholding, unemployment compensation, workers compensation and similar matters. Upon CHPRC's written request, Contractor shall promptly

TITLE: WRAP ROOF OVERBUILD DESIGN AND CONSTRUCTION

provide documentation substantiating its compliance with the requirements of this paragraph.

4. Contractor shall maintain complete control over its Employees, Agents, Representatives and Subcontractors at any tier and shall be responsible for the proper performance of all work required by this Contract, including any such work which may be done by Suppliers or Subcontractors at any tier.
5. Contractor does not have, nor shall it represent that it has, any authority to bind CHPRC or the Government.
6. Unless specifically identified in the contract, contractor shall supply and use its own equipment, supplies and means of performance.

1.18 Contract Change Request

The Contractor shall submit formal requests for changes to the scope, schedule or cost of this contract using the Change Form. Instructions. The appropriate portions of the Change Form shall be completed by the Contractor. A red-line mark up of the Statement of Work or Specification showing where the proposed changes fit within the scope shall be attached, if applicable. Change Form numbering shall be left blank and assigned by CHPRC upon receipt. CHPRC will complete an evaluation, provide a disposition and determine additional actions required, as appropriate. The purpose of the form is to facilitate formal communications.

1.19 Options

The Contract Specialist retains the sole right to exercise the option(s) included in this contract. The inclusion of the option(s) does not represent a commitment, financial or otherwise, on the part of CHPRC to exercise any or all of the option(s) nor extend the contract beyond the end date specified by the contract or most current contract amendment. CHPRC may exercise one or more options by providing written notice to the contractor 30 days prior to the most current contract end date. Lacking written notice by CHPRC, the option(s) will expire with the contract. **NOTE: Reference Part II, 1.0 Contract Type and Value. Option Award for Construction (Fabrication, Delivery, and Installation).**

1.20 Design/Build (Turnkey) Construction

1. Requirement of Registration of Designers
 - a. The design of architectural, structural, mechanical, electrical, civil, or other engineering features of the work shall be accomplished or reviewed and approved by architects or engineers registered to practice in the particular professional field involved in a State or possession of the United States, in Puerto Rico, or in the District of Columbia.
2. Sequence of Design-Construction

TITLE: WRAP ROOF OVERBUILD DESIGN AND CONSTRUCTION

- a. After receipt of CHPRC's approval to proceed with work, the Contractor shall initiate design, comply with all design submission requirements, and obtain CHPRC review of each submission. No construction may be started, with the exception of clearing the site, until CHPRC reviews the Final Design submission and determines it satisfactory for purposes of beginning construction. CHPRC will notify the Contractor when the design is approved for construction. CHPRC will not grant any time extension for any design re-submittal required when, in the opinion of CHPRC, the initial submission failed to meet the minimum quality requirements as set forth in the Contract.
 - b. If CHPRC allows the Contractor to proceed with limited construction based on pending minor revisions to the reviewed Final Design submission, no payment will be made for any in-place construction related to the pending revisions until they are completed, resubmitted and are satisfactory to CHPRC.
 - c. No payment will be made for any in-place construction until all required submittals have been made, reviewed and are satisfactory to CHPRC.
3. Contractor's Role During Design
- a. The Contractor's key personnel shall be actively involved during the design process to effectively integrate the design and construction requirements of this Contract. In addition to the typical required construction activities, the constructor's involvement includes, but is not limited to actions such as: integrating the design schedule into the Master Schedule to maximize the effectiveness of fast-tracking design and construction (within the limits allowed in the Contract), ensuring constructability and economy of the design, integrating the shop drawing and installation drawing process into the design, executing the material and equipment acquisition programs to meet critical schedules, effectively interfacing the construction Quality Control program with the design Quality Control program, and maintaining and providing the design team with accurate, up-to-date redline and as-built documentation, and ensuring the design adheres to the Contractor's bid proposal and CHPRC's budget. The Contractor shall require and manage the active involvement of key trade subcontractors in the above activities.
4. Deviating From The Accepted Design
- a. The Contractor must obtain the approval of the Designer of Record and CHPRC's concurrence for any Contractor-proposed revision to the professionally stamped and sealed and CHPRC reviewed and concurred design, before proceeding with the revision.

TITLE: WRAP ROOF OVERBUILD DESIGN AND CONSTRUCTION

- b. CHPRC reserves the right to non-concur with any revision to the design, which may impact furniture, furnishings, equipment selections or operations decisions that were made, based on the reviewed and concurred design.
 - c. Unless CHPRC initiates a change to the Contract requirements, or CHPRC determines that the CHPRC-furnished design criteria are incorrect and must be revised, any Contractor-initiated proposed change to the Contract requirements, which results in additional cost, shall strictly be at the Contractor's expense.
 - d. The Contractor shall track all approved revisions to the reviewed and accepted design and shall incorporate them into the as-built design documentation, in accordance with agreed procedures. The Designer of Record shall document its professional concurrence on the as-builts for any revisions in the stamped and sealed drawings and specifications.
5. Responsibility For Design
- a. The Contractor shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other non-construction services furnished by the Contractor under this Contract. The Contractor shall, without additional compensation, correct or revise any errors or deficiency in its designs, drawings, specifications, and other non-construction services and perform any necessary rework or modifications, including any damage to real or personal property, resulting from the design error or omission.
 - b. The standard of care for all design services performed under this Contract shall be the care and skill ordinarily used by members of the architectural or engineering professions practicing under similar conditions at the same time and locality. Notwithstanding the above, if the Contract specifies that portions of the Work be performed in accordance with a performance standard, the design services shall be performed so as to achieve such standards.
 - c. Neither CHPRC's review, approval or acceptance of, nor payment for, the services required under this Contract shall be construed to operate as a waiver of any rights under this Contract or of any cause of action arising out of the performance of this Contract. The Contractor shall be and remain liable to CHPRC in accordance with applicable law for all damages to CHPRC caused by the Contractor's wrongful performance of any of the services furnished under this Contract.
 - d. The rights and remedies of CHPRC provided for under this Contract are in addition to any other rights and remedies provided by law.

TITLE: WRAP ROOF OVERBUILD DESIGN AND CONSTRUCTION

- e. If the Contractor is comprised of more than one legal entity, each such entity shall be jointly and severally liable hereunder.
6. Warranty of Design
- a. The Contractor warrants that the design shall be performed in accordance with the Contract requirements. Design and design related construction not conforming to the Contract requirements shall be corrected at no additional cost to CHPRC. The standard of care for design is defined in paragraph (b) of the "Responsibility For Design" clause.
 - b. The period of this warranty shall commence upon final completion and CHPRC's acceptance of the work, or in the case of CHPRC's beneficial occupancy of all or part of the work for its convenience, prior to final completion and acceptance, at the time of such occupancy.
 - c. This design warranty shall be effective from the above event through the Statute of Limitations and Statute of Repose, as applicable to the state that the project is located in.
 - d. The rights and remedies of CHPRC provided for under this clause are in addition to any other rights and remedies provided in this Contract or by law.

2.0 CONTRACT PROVISIONS

The provisions, forms, documents and attachments listed below are hereby incorporated into and made a part of this contract. Unless specifically replaced or revised in the body of this contract the clauses and referenced laws, rules and regulations in the General and Special Provisions applicable for this type of contract shall have the same force and effect as if written into the body of the contract.

Contractor is responsible for downloading, reading and complying with the applicable provision revision identified below. In the event that the link to a specific provision is broken, provisions are posted for downloading at the following hyperlink. 2.4 Special Provision, SP-11 - Subcontracting Plan
Revision 6, dated July 25, 2018

The subcontracting plan submitted by the contractor and accepted by CHPRC is hereby incorporated in to this contract. Contractor is obligated to comply in good faith with the commitments made in the proposed plan unless an alternate plan is proposed and accepted by modification to this contract. CHPRC is under no obligation to accept an alternate proposal.

2.5 Special Provisions, SP-16 - Representations and Certifications -
Revision 8 dated October 25, 2019.

Representations and Certifications made by the contractor as part of the proposal and award process are hereby incorporated by reference into, this Contract unless specifically excluded and agreed by CHPRC in the Contract. Contractor agrees to update and resubmit a revised SP-16 if any change occurs that would nullify, change or otherwise affect said representations and certifications.
